## Graffiti Removal Kits

The Smart Graffiti Community Graffiti Removal Kit is designed for Local Authorities, Resident Associations, Tidy Town Groups, Community Organisations & Business Users. The kit is a highly effective surface containment removal product, designed for the elimination of unsightly or unwanted spray paint, crayon, magic marker, graffiti or 'tag' marks on glass, unfinished metal, factory applied metal finishes, brick, concrete & masonry substrates & many other surfaces. Based upon a unique blend of environmentally safe solvents, emulsifiers & surfactants, the Community Graffiti Removal Kit is nontoxic, safe for human contact & yet easy to use & highly effective on even the most difficult applications.

The Large kit includes four 1 litre bottles, the Medium kit includes four 500 ml bottles and the Small kit includes two 500 ml bottles. You can choose which of the Smart Graffiti Removal products; Elite, Metal Safe, Sign Safe & General Purpose Graffiti Removers you wish to have in your kit or a combination of the products. Each kit also contains the following items, all necessary for the safe removal of graffiti; 2 x Sash Brushes, 5 x J-Cloths, 1 x Small Pot, 2 x Steel Wool 000 Grade, 1 x Plastic Gauntlets, 1 x Safety Specs, 1 x Mouth & Nose Mask, 1 x White Towel Rag & it is all contained in a ten litre bucket with snap on lid. The bucket is useful if you need small amounts of water & the equipment can be stored again in the bucket for the next time it's needed. There is also an easy-to-follow user guide together with Product Information Sheets & Material Safety Data Sheets. Individual kit items can also be purchased from us as well as product refills.
