White Board Cleaner

A fast acting, mild, easy to use liquid white board cleaner for interior surfaces. White Board Cleaner safely penetrates & loosens ink and dyes and makes it easy to remove.

White Board Cleaner can also be used to remove:

- white out
- permanent marker

from these surfaces:

- white boards

SAFETY INSTRUCTIONS

When starting a cleaning job always wear safety protection before handling any of the removing products. Gloves are required before using White Board Cleaner.

Before using White Board Cleaner check the surface to see how clean it is. The surface does not have to be perfectly clean to start, but if the surface has substantial dirt on it, the dirt may impede the penetration process and should be washed off before cleaning.

Note: Always test product on a small hidden area prior to full application.

Interior Removal Process:

Before using **White Board Cleaner** check the surface to see how clean it is. The surface does not have to be perfectly clean to start, but if the surface has substantial dirt on it, the dirt may impede the penetration process and should be washed off before cleaning.

Note: Always test product on a small hidden area prior to full application.

Equipment Needed for Removal of permanent markers:

1. White Board Cleaner (Liquid or Wipes)
2. Clean Cloth or Sponge
3. Damp cloth or white towel

Application Method:

1. Wet surface if necessary
2. Shake the product to activate it
3. Pour needed amount of product on cloth or sponge
4. Dab the product liberally on the graffiti or spray apply
5. Let the product activate on the surface for 60 seconds
6. Agitate surface with cloth or sponge
7. Wipe off with clean cloth or rinse with water and wipe dry
8. Repeat steps if inks are still showing

At the end of the job, wash down all safety equipment & tools used in the removal process to get all of the White Board Cleaner off for reuse on the next job.

Results and Benefits:

The main differences between **White Board Cleaner** & other cleaning methods include: dramatically reducing the time it takes to remove clean the surface, one application's effectiveness in removing 99% of the typical inks or graffiti & no damage to the original underlying surface! White Board Cleaner cleans the surface within minutes while other products can take multiple applications & hours of time. White Board Cleaner enables cleaning in minutes on all typical interior surfaces which saves our customers significant time and labour. With less time and labour spent on each individual cleaning job, our customers can get 2, 3 even 4 times as many **cleaning** jobs accomplished per shift. Plus, you will not be spending janitorial labour or replacing equipment, nor repairing surface damage from inappropriate cleaning products.

Coverage:

Varies dependent upon type of surface material 0.2 -0.5 litre/m²

With Wipes the coverage can be 0.1 -0.3 litre/m²
